Floor Mat Launder, Lift and Lay

Floors that impress, not stress.

Our launder, lift and lay service is designed for maximum convenience and continuous floor protection.

Laundering mats at regular intervals keeps your floors constantly protected from dirt and water, preventing slips, trips and falls.

Using a mat rental service will help you:

- Decrease cleaning costs
- Make your floors safer
- Create a great first impression
- Available plain or bespoke with your company logo
- Reduce the risk of accident compensation claims
- Never worry about dirty or worn mats again
- Captures 85% more dirt than standard mats!
- Service frequency weekly, fortnightly or monthly in sizes 115x180cm, 85x150cm or 85x240cm
